PRESIDENT'S MESSAGE

Dear Neighbors,

January's 2nd Friday Social was filled with good cheer, and the crowd filled our hall to the brim. It was great to see many of our new members and guests join us for an evening highlighted by Karin Froio and Caroline Fusco's Trivia Challenge. You can expect Karin and Caroline to be back in March to give our memories another test.

Thanks to all of you that have sent in your dues for 2015 and a reminder to those who have not. We plan to send the new SPVCA Directory to the printer in mid-February. If you would like your name to be included, please make sure to send in your dues today. Contact our membership chairs Pat Christensen or Ron Cook if you need a renewal application. Speaking of the SPVCA Directory, Ron Cook has stepped up to edit our directory this year, a job that Brenda Horst has skillfully done for a number of years. Our appreciation goes out to both Ron and Brenda.

Let there be light! Mike Preusser and Ed Olsen have replaced the dim light fixtures that have flanked the SPVCA Center entry doors for years. We now have the latest in LED light technology lighting our way to and from the parking lot. Mike and Ed are a great team and I have come to appreciate that they can fix most anything.

Marge Herklotz and the Social Committee are planning a "Pot Luck Supper" night for the March 2nd Friday Social. Please bring a covered dish or equivalent to serve 6-8 people. Appetizers and desserts will be provided by the Social Committee. They will also coordinate set up, clean up, and provide bartenders. At the end of the evening all of us should help by clearing our table. Having said that, on that night, I believe we will enjoy a feast along with a guaranteed good time!

At the SPVCA we have activities and events to interest a wide spectrum of people including Bridge, Bocce Ball and Bingo and that's only the "B's". Invite a friend to one of our activities, after which they may ask to join our growing association. We are also about giving back to the community and seeking ways to achieve that obligation. For example, we recently partnered with the COA to build ramps for the handicapped. Contact Ed Olsen if you are interested in helping out with this worthwhile endeavor.

I can see that I have rambled on long enough and look forward to seeing many of your smiling faces at the Social on Friday, February 13th. For the superstitious among you, the 2nd Friday March Social is also on the 13th!

Dennis Froio

The Social Committee will be the hosts and will provide light appetizers and desserts.

We are asking the attendees to bring a covered dish (either hot or cold) to serve 8. The dish should be ready to serve, no heating required and it also would be helpful to have disposable dishes.

We should have lots of good food & a great time!!!

Orphan Train
by Christina Baker Kline

"Christina Baker Kline is a relentless storyteller. Once she sets her hook and starts reeling you in, struggle becomes counterproductive. The narrative line is too taut, the angler at the other end too skillful."

Don't forget...
There are many homes with empty pantries. Help those families keep food on the table by donating to the bin at SPVCA.
