## ***SILENT AUCTION FUNDRAISER***

To Whom it May Concern,

The South Ponte Vedra Civic Association (SPVCA) is a not-for-profit community organization uniting residents in Ponte Vedra, South Ponte Vedra and Vilano Beach. We offer social activities and programs that enhance and educate our members as well as providing sponsorship and advocacy to multiple outreach agencies within St Johns County.

As a part of our outreach, we are holding a 'silent auction' to raise funds for the association that are used for various programs within St. Johns County. Programs near and dear to members of SPVCA include ramp building in partnership with the Council on Aging (COA) for residents unable to leave their homes; a very active Food Pantry program helping to stock St. John's Ecumenical Food Pantry which serves people within our county; participation in regular blood drives together with the One Blood; and a Toys for Tots program benefitting St. Johns County Fire and Rescue families each December.

We are seeking any size donation of cash, complimentary services, complimentary golf rounds, complimentary meals at restaurants, gift cards, or a donation of your choosing that we can offer under a silent auction at the SPVCA Christmas dinner on December 9, 2022.

On behalf of the Association, I thank you for your consideration of donating to our fundraising effort which will help to strengthen our ongoing participation within the local community.

Best Regards,

Christine Rich  
President  
South Ponte Vedra Association
